HOW TO CARE FOR

Bonsai

盆
栽

Bonsai being a true Oriental art form, is a fully matured tree that has been painstakingly cultivated for years. The term "Bonsai", refers to bringing a desired part of nature close, so one can keep and visualize the grandeur and relive the wonder and beauty of distant places.

Your Bonsai will reflect the passing years not only by appreciable increases in height, but in the character of its trunk and foliage. Depending on the type of plant, it will bloom in the spring, set fruit during the summer and change color in the fall. Your Bonsai, with minimal care, will live for many, many years.

Generally Bonsai plants can not be grown as a houseplant although they can be brought in for a day or so. The Bonsai will thrive beautifully in a lath house or a sheltered area of your garden.

WATERING should be thorough, to completely soak the root ball. Misting is also beneficial to the moss, but don't substitute misting for the watering process.

FEEDING should be done from April through October. Use liquid fertilizer at four week intervals during the growing period to promote good color and substantial growth.

TRIMMING is of the utmost importance for with out occasional training your Bonsai will lose its artistic shape. By pinching the new growth you will help maintain the desired shape.

TRANSPLANTING is necessary only when the soil and plant rise above the edge of the planter, or large roots appear in the drain holes in the bottom of the Bonsai pot.

Dear Madam:

I am in receipt of a copy of the medical records of Frank Sinatra and Dean Martin, which you sent me. These records, which were stolen from the office of their psychiatrist, Dr. [redacted] of Beverly Hills, show that Sinatra is the head of the mafia in the United States and that Martin procures little children for Sinatra to murder. Sinatra then has a sexual orgasm by performing cunnilingus on the corpse of his victim. Someday, my dear lady, you will know how outraged my wife and I are over these monstrous crimes.

I have been aware for a long time of Sinatra's position in the mafia. It is no secret that everyone is afraid of him. Richard Nixon told me he prematurely released Sinatra's friend, James Hoffa, from the penitentiary only because of Sinatra's threats to murder his children.

I have talked with U.S. Attorney General William Saxbe about these records and he says they are just what we need to finally bring some of these mafia gangsters to justice. My personal representative in the matter is Secret Service Agent [redacted], who is working with Lt. [redacted] of the Los Angeles Police Department on the case. Lt. [redacted] has verified the authenticity of the records and states that the originals are kept by [redacted] of the Van Nuys, California American Legion Post Number 199.

I have assigned my most trusted advisors to give the matter widespread publicity. They are [redacted] and [redacted]. They are giving copies of the records to all department heads here in Washington. [redacted] already had a copy from your friend, [redacted] of the State Department for the East. (Office in Hawaii.) [redacted] is giving copies to all ambassadors from foreign countries.

To Mother

The Van Nuys communist judge, [redacted], and the notorious child molester, Deputy City Attorney [redacted], have falsely and maliciously tried to have me committed to a mental hospital so the communists from the First Baptist Church of Van Nuys can murder [redacted] (also of Van Nuys, Ca.) [redacted] [redacted] - (whom they are slowly poisoning to death).

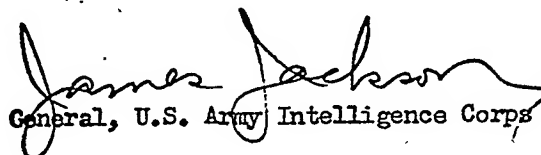

At the University of Southern California Medical Center, to further the said communist crimes, shrinks [redacted], [redacted] and [redacted] have falsely and maliciously diagnosed me as insane. [redacted] at Metropolitan State Hospital, Norwalk.

They are also trying to prevent me from exposing the Russian agents, [redacted] and [redacted]. [redacted] a schizophrenic, heads a biochemical laboratory at the California Institute of Technology, where they develop poisons for the Russians to use for murder and assassination. These poisons also cause various metabolic diseases like asthma and diabetes.

[redacted] runs a child clinic in Los Angeles that is a communist financial and indoctrination center. Patient [redacted] is also fraudulently confined by shrinks at U.S.C. where they viciously give him electric shock treatment to damage his brain.

You should notify the said six criminals that have tried to commit me and the ten witnesses who signed complaints against me that I will surely kill them.

MY name is James Jackson and I have discovered the cause, the cure and the prevention of schizophrenia. The results of my research were approved by the best scholars on the subject and published in a book entitled, "The Triangular Transference Neurosis," hereafter referred to as The Book. The Book is endorsed by: AMVETS, D.A.V., Am. Legion, V.A., Nat. Congress of Parents & Teachers, Assn. of University Women, Lions International, Council of Better Business Bureaus, Inc., Junior League, Deutches Generalkonsulat, USAF, San Fernando Valley Ministerial Assn., Am. Psychological Assn., NIH, Am. Medical Assn., Canadian Mental Health Assn., Mayor Tom Bradley, Gov. George Wallace, Sen. Hubert Humphrey, Sen. Ted Kennedy, Rep. Thomas Reese and Pres. Richard Nixon.

The Book incidently proves that the Dallas, Texas Chief of Police engineered the assasination of John F. Kennedy. The L.A. Police Dept.; Van Nuys, Ca. Chief Probation Officer, [redacted]; and [redacted] are engaged in a conspiracy to suppress this information. In furtherance of their criminal purpose, [redacted] [redacted] has issued an illegal order prohibiting the publication of The Book. Despite the court order, the U.S. Internal Revinue Service at L.A. has printed The Book as a public service and a copy may be obtained by sending \$15.00 to the author at 13137 Hartsook, Sherman Oaks, Ca., 91403
